AUSTRIA AT A GLANCE

Situated right in the heart of Europe, Austria is the perfect location from which to travel around Europe. And thanks to the country's highly developed railway system, Vienna Airport is only an hour away from Krems. Needless to say, exploring Austria itself is a must as well. The Alps make it an El Dorado for skiers and hikers, and cities like Vienna, Graz and Salzburg have plenty to offer to culture lovers. Or how about taking a dip in lakes so clean that you can drink the water? You'll never get tired of the beauty of our country – we promise!

WELCOME TO KREMS

You might hear some people say Krems is an enchanting, but small town. But thanks to its beautiful location on the Danube, it's a hotspot for thousands of tourists who visit the historic old town every year. It's also close to Austria's capital, Vienna. Trains run every hour and the city's famous sights and landmarks are just an hour away.
